TIPPERARY COUNTY COUNCIL

SITE NOTICE for a Renewable Energy Directive III (RED III)
Development

We, Coolderry Green Energy Limited, intend to apply for planning
permission for a period of 10 years for the development of a
wind farm and grid route in the townlands of Coolderry,
Grenanstown, Ballinamona, Knockbrack, Kilconane, Killeary,
Ballygasheen, Knockalon Upper, Lisbunny, Tyone and
Lissatunney, Nenagh, Co. Tipperary.

The development will consist of the construction and operation of
a renewable energy development comprising the following:
- 4 No. wind turbines with a tip height of 160m, a hub height of
92m, a rotor diameter of 136m and all associated foundations.
- A permanent meteorological mast with an overall height of
92m.

- Turbine and meteorological mast temporary and permanent
hard-standing areas including crane hardstanding areas.
- Upgrade of an existing farm entrance and access track off the
R498 regional road to the south of the site in the townland of
Grenanstown, to serve as construction and operation access.
- Upgrade and widening of existing internal tracks and provision
of new permanent and temporary site access tracks and all as-
sociated site drainage.

- 1 no. borrow pit and associated drainage infrastructure to be
used as a source of stone material during construction; and as a
permanent material storage area.

- Construction of 1 no. temporary construction compound with
associated temporary site offices, parking areas and security
fencing.

- A permanent 38kV on-site substation to include control building
with electrical infrastructure, welfare facilities, car parking,
security fencing and lighting, and all associated infrastructure,
services, and site works.

- All associated underground electrical and communications
cabling connecting the turbines to the proposed permanent on-
site 38kV substation.

- Underground grid connection between the onsite 38 kV sub-
station and the existing Nenagh 110 kV substation comprising
approximately 0.75 km within the wind farm, 6.2 km along the
R498, and 1.1 km along the 15136.

- Biodiversity enhancement areas.
- All associated site works above and below ground, including
site clearance, site drainage, security gates, fencing, permanent
and temporary signage, landscaping and revegetation.

An Environmental Impact Assessment Report (EIA) and Natura
Impact Statement (NIS) will be submitted as part of this plan-
ning application.

The EIA and NIS assess the full extent of the proposed develop-
ment as described above as well as a 0.65 km section of the grid
connection route located off the 15136 within private lands
which is not included within the current application boundary,
and temporary accommodation works required to facilitate the
delivery of turbine components from the Port of Foynes to the
site entrance via the L6188, N69, N18, M7, R498.

The Applicant is seeking a 10-year planning permission and 35-
year operational life, commencing from the date of full commis-
sioning of the entire wind farm. This development is covered by
the provisions of the Renewable Energy Directive III (Directive
(EU) 2023/2413) and it is important to note that the planning
application may be subject to section 34D of the Planning and
Development Act 2000, as amended. When a notice issues in ac-
cordance with section 34D(b), the provisions of article 26A of the
Planning and Development Regulations 2001 to 2025 shall apply.

The planning application, EIA and NIS may be inspected, or
purchased at a fee not exceeding the reasonable cost of making
a copy at the offices of the planning authority during its public
opening hours.

A submission or observation in relation to the application may
be made in writing to the planning authority on payment of the
prescribed fee, €20, within the period of 5 weeks beginning on
the date of receipt by the authority of the application, and such
submissions or observations will be considered by the planning
authority in making a decision on the application. The planning
authority may grant permission subject to or without conditions
or may refuse to grant permission.

John's funeral cortege will
leave Daly's Funeral Home,
Chapel Street, Drimoleague
on Wednesday at 1.20pm
for Cremation Service at
the Island Crematorium,
Ringaskiddy at 3pm. Friends
and family are warmly invited
to attend. House private.
Family flowers only. Donations,
in lieu, to Parkinsons
Ireland.

In Memoriam

CROWLEY (Drimoleague): On
May 20, 2026, peacefully, at
Bushmount Nursing Home,
Clonakilly, surrounded by his
loving family, JOHN (MVB,
MRCVS), of Main Street,
Drimoleague and formerly of
Bunalin, Skibberreen (late of
Byrne, Crowley and O'Keefe,
and Castlelands Veterinary
Clinics). Son of the late Jim
and Rita Crowley, brother of
the late Seamus and Michael.
Beloved husband of Chris
(née O'Connor) and loving
father of James, Sinead,
Aisling and John. Dear
brother of Mary (Kelleher),
Paddy and Phil (Walsh).
Sadly missed by his wife,
sons, daughters, sisters,
brother, brothers-in-law,
sisters-in-law, sons-in-law
Richard Debarbouille and
Peter Rock, his grand-
children Jean-Luc, Gearóid,
Clíona, Teigh, Fiona,
Reuben, Rosie and Robin,
nephews, nieces, grand-
nieces, grandnephews,
cousins, especially the
Crowleys in Hawthorn,
former esteemed work
colleagues Maurice, Jim,
Sean and Rosemary, relatives,
neighbours, friends and loyal
clients. May John rest in
peace. Lying in repose at
Daly's Funeral Home, Chapel
Street, Drimoleague on today
(Monday) from 6pm to 8pm
followed by prayers. Requiem
Mass on tomorrow (Tuesday)
at 2pm in All Saints Church,
Drimoleague - live streamed on:
<https://corklivestream.com/funerals>.
